SEMESTER 2 COMMENTS

Please note this report is dynamic and will reflect the number of days enrolled as of the date the report is printed.

A rubric score of 4-1 is used to communicate mastery of strands and content areas. If your report cards are not displaying 4-1, your grade calculations are not set correctly. Please see pages 4 and 5 of the Grade Book SBRC Elementary Guide.

NOTE: Strand level grades (ie. Life Science, Earth and Space Science) are dynamic and always changing, therefore only the most current strand grade will appear on the report card.

All CCSD elementary schools are reporting out on the Successful Learner Behaviors using E, S, N mastery levels.
